Reports

- Seneschal was presented by Thora.
- Curia was this past weekend. It was short and sweet, about the inclusion and DEI stuff recommended by the board of directors. No current director for DEI, all regional DEI will report to kingdom DEI until further notice.
- Baronage/Chatelaine was presented by Agatha. 2 demos coming up. One same day as Victory on the Vine, are we interested in splitting focus.
- We need a herald for the barony, they can be either a voice herald or a book herald, as long as they are warranted. They would need someone to do scroll wrangling. Our Minster of Arts and Sciences would also like to step down, we are looking for someone to fill that office as well.
- Selecting an archery champion at Missile Madness
- We need to replace the poles for the baronial day shade, Aldemere has offered to do the work, not sure how much he would need (monetarily). From Aldemere: There's a lot of work that needs to be done on the baronial items and infrastructure. For all of it probably about \$500, but he'll get the numbers together and let us know. Thora would like a copy of the inventory (it is just a preliminary inventory, not highly detailed).
- Exchequer was presented by drynnith: \$15,075.75 was the baronial balance at the end of February. The site deposit has been received since then. Financial committee, are we comfortable sending refund checks before the kingdom check clears? (Yes, no objections or comments raised).
- Webminister was presented by Helena: Not much to report, mostly dabbling with the website when something is reported.
- Phoebe: needs to update the Missile Madness page, life has been getting in the way.

- Heraldry was presented by Edward: Order of precedence needs to be updated
- Knight marshall was presented by Thora: Group of 4 new people consistently showing up at Roanoke.
- Canton was presented by Bridgid: Things are going as they always do! The tower was up at practice this week for getting ready for Missile Madness
- Chronicler was presented by Bridgid: Not much to report. Some things need to be reformatted, will be done soon
- MoAS was presented by Thora: Still doing some things at practices. Thora may be teaching a spinning class soon!
- Hagar, about the classes coming up. Probably won't be doing much this summer due to King's Assessment. Hoping for September/October for the first event

Old Business

- Some issues with the emails, will be switching over to new emails soon

New Business

- Edward: wanting to put in a bid for a Kingdom event. Putting in a bid for Spring Crown at the Boonesboro Ruritan Club.
- Is the club available on that very specific date? Yes, it is reserved until we get it set up
- Once the paperwork is done the event will be submitted to the events committee!
- Agatha: Demo in conflict with Victory on the Vine. It is May 17th. Victory on the Vine is mainly a rapier event, so perhaps heavy fighters or other disciplines might be more inclined to go to the demo. Do we want to try to have a demo the same day as a nearby event, in Lynchburg.
- Aldemere: It's a demo in our backyard, and with people we've worked with before. He's willing to do it. We've gotten some people from the demo before, and recruiting so close to home is valuable. (Will also scope out the site to see if archery is possible)
- Julie: Slightly different opinion. Their Excellencies don't have to be at a demo for it to be successful. We don't need everyone there to make it a successful demo! We don't have to do a big blow-out in both places
- Agatha: will start looking for someone to take over running the demo

Adjournment

Thora adjourned meeting at 8:56PM.
