

Canton of Seven Hills - Business Meeting Notes

February 17, 2025

Call to order

A meeting of Atlantia's Barony of Black Diamond's Canton of Seven Hills was held at the Pelican's Nest on Feb. 17, 2025.

Attendees

- Stoffel, Sigfrid, Yuri, Bridgid, Roland, Seraphina, Hagar, Brittany, Julie

Reports

- **Exchequer:** The bank account should be set up tomorrow, definitely by the end of this week. Everyone contacted about a signature card will need to get set up with the bank, probably online
- **Missile Madness!** Coming up April 19th. Try to talk it up as best we can. Keep an eye out for work days coming up. We want to clear trails. We want to set up fire pits & stuff. We want to get the tower over here and painted.
 - **Brittany:** Target competition: Needs feedback on target themes for Canterbury Tales. There's no character quite bad enough to shoot at. Thinking themes of vices? Trying to come up with a reason to shoot at them. We need three characters, three targets to shoot at.
 - **Hagar:** The miller → not looked upon favorably, millers were sometimes considered shady characters because they wouldn't give back all of the grain they were given
- **Baronage:** Yuri: Please put in award recommendations! Please put them in before Missile Madness for anyone who will be there.
 - Hagar: For the scribes, please put them in well in advance!
 - Ymir is coming up this weekend. Carpool is being scheduled. Agatha and Yuri are still deciding whether they are camping or day-tripping, weather dependent. They are bringing the Black Diamond gear. They probably don't need a hand bringing anything. Isenfir would like to crash with Black Diamond at Ymir.
 - Financial policy will be addressed at the next meeting. Updated policy will be published before the next meeting.
 - Julie: Reach out to Mistress Laura, she would have pretty extensive notes

- East Kingdom Crown Tourney: Will be up in New York. First ever rapier based Crown Tournament. Seraphina is trying to figure out a way to get there.
- Wolfswood demo is late August
- Stablecraft Brewery demo is in April
- Potential demo at a meadery in Luray in early May
- **Webminister:** Phoebe: Lots of updates on the Baronial website, but not many changes on the canton side.
 - Updates to Missile Madness on the flyer → Phoebe can find info there
 - Leatherworking photos for the Missile Madness website should be sent to Phoebe directly. Will contact about paperwork needed for those photos

Adjournment

Stoffel adjourned the meeting at 7:36p.
