Reports

- Knight Marshall was presented by Stoffel. Nothing to report. The regional practice will be June 28 for anyone trying to promote. Please make sure non-members are signing waivers.
- MoAS was presented by Brittany. There is a baking class in the works for basic bread-making and medieval recipes. The church can host 5 people for that class. For scheduling, we are considering during a Monday night practice, or a weekend.
- Hagar offered a reminder about us wanting to do a Japanese garb-making class.
- Exchequer was presented. The current balance is \$3,935.78. We may have to change banks in the future, as there may be some concerns with the current bank.
